## PROFILE

An innovative and driven student researcher with a proven track record of excellence in academic projects and extracurricular activities. Proud owner of a patented project, skilled in creativity and problem-solving. Passionate about fostering innovation and community engagement, with experience organizing large-scale events. Seeking to leverage my skills and enthusiasm to create an impact in my future endeavors.

## CERTIFICATE

### IBM C++

IBM Business intelligence  
IBM R Studio  
IBM Watson Studio

### INNOVATION AMBASSADOR

Innovation and Entrepreneurship. Completed Innovation Ambassador Course, Jeppiaar College of Arts and Science. Proficient in design thinking, Ideation, and problem-solving

### Research papers

Presented research articles at 10 international conferences and 2 national conferences. Additionally, contributed to a book chapter and successfully published a peer-reviewed article, demonstrating ability to produce high-quality, scholarly work. These experiences have honed my skills in research design, critical thinking, and effective communication.
